

Urban Nails is committed to affordable prices, starting at \$18 for hands and \$30 for feet. Staffed with 18 experienced technicians, types of pedicures and manicures range from Shellac, Solar, UV gel, Nail Art, acrylic, and Bio Sculpture Gels that give a more natural look. Stocked with Brisa Gel, this innovative product is chemical-free and fragrance-free, which results in fingernails that look genuine, finished with a pink tint that does not require nail polish. Urban Nails also caters to private functions, and are ready to be host to bridal showers, birthday parties, or pre-wedding day beautifications.

Hygiene

At Urban Nails, we take your health seriously. That's why we're ultra-careful when it comes to cleanliness. From the latest in chemical and fragrance-free treatments, we know how to spoil you the healthy and environmentally responsible way.

- We have three Hygiene Stations with a dry-heat sterilizer to disinfect tools after every use.
- Our foot baths are disinfected and washed after every use.
- Our nail tables are equipped with fans to remove any airborne chemicals or fumes immediately.
